

#### Main

|                           |                   |
|---------------------------|-------------------|
| Range of product          | Hyde Park         |
| Sensor type               | Ultrasonic sensor |
| Series name               | Standard format   |
| Device short name         | SM300             |
| Sensor design             | Miniature         |
| Material                  | Plastic           |
| [Us] rated supply voltage | 12...24 V DC      |
| Electrical connection     | Cable             |
| IP degree of protection   | IP66              |

#### Complementary

|                               |         |
|-------------------------------|---------|
| [Sn] nominal sensing distance | 0.013 m |
| Type of sensing window        | Fixed   |
| Transmission frequency        | 500 kHz |

#### Packing Units

|                              |     |
|------------------------------|-----|
| Unit Type of Package 1       | PCE |
| Number of Units in Package 1 | 1   |

#### Offer Sustainability

|                                            |                                                                                                                                                                                                                                                                                                                                                                                   |
|--------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
