

主要信息

|        |  |
|--------|--|
| 产品系列   | Telemecanique Limit switches XC Standard |
| 系列号    | 标准型                                      |
| 产品类型   | 限位开关头部                                   |
| 产品短名   | ZCE                                      |
| 操纵头类型  | 万向头                                      |
| 产品适用范围 | XCKP<br>XCKT<br>XCMD<br>XCKD             |

|       |                         |

|       | ZCP29M12                |
|       | ZCMD21M12               |
|       | ZCP35                   |
|       | ZCT21P16                |
|       | ZCT25N12                |
|       | ZCMD41L2                |
|       | ZCMD81L2                |
|       | ZCD25                   |
|       | ZCP31                   |
|       | ZCMD21L08R12            |
|       | ZCP21                   |
|       | ZCD27                   |
|       | ZCD37                   |
|       | ZCP39                   |
|       | ZCMD25L5                |
|       | ZCMD37L5                |
|       | ZCT25G11                |
|       | ZCD26                   |
|       | ZCP21M12                |
|       | ZCMD61M12               |
|       | ZCT28P16                |
|       | ZCT25P16                |
|       | ZCD39                   |
|       | ZCD21                   |
|       | ZCT28N12                |
|       | ZCP29                   |
|       | ZCMD61C12               |
|       | ZCMD41L5                |
|       | ZCMD81L5                |
|       | ZCMD25L1                |
|       | ZCT26G11                |
|       | ZCMD39L5                |
|       | ZCD21M12                |
|       | ZCT26P16                |
|       | ZCMD21L08U78            |
|       | ZCD29M12                |
|       | ZCMD41L1                |
|       | ZCP26                   |
|       | ZCMD69C12               |
| 操作头运动 | 万向                      |
| 操作头类型 | 弹簧杆 弹簧复位 金属 (带热塑端头的弹簧棒) |
| 方法类型  | 万向运动                    |

## 补充信息

|      |        |
|------|--------|
| 开关触发 | 任意移动部件 |
| 强制打开 | 无      |

## 环境

|        |             |
|--------|-------------|
| 运行温度   | -25...70 °C |
| 贮存环境温度 | -40...70 °C |
| 环境特征   | 标准环境        |

## 包装单位

|                              |         |
|------------------------------|---------|
| Unit Type of Package 1       | PCE     |
| Number of Units in Package 1 | 1       |
| Package 1 Height             | 1.6 cm  |
| Package 1 Width              | 1.6 cm  |
| Package 1 Length             | 12.6 cm |
| Package 1 Weight             | 19.0 g  |
| Unit Type of Package 2       | BB1     |
| Number of Units in Package 2 | 10      |
| Package 2 Height             | 2 cm    |
| Package 2 Width              | 19 cm   |
| Package 2 Length             | 23 cm   |
| Package 2 Weight             | 190 g   |
| Unit Type of Package 3       | S01     |
| Number of Units in Package 3 | 80      |
| Package 3 Height             | 15 cm   |
| Package 3 Width              | 15 cm   |
| Package 3 Length             | 40 cm   |
| Package 3 Weight             | 1.82 kg |

## 可持续性

|                                |                              |
|--------------------------------|------------------------------|
| 产品类型                           | Green Premium 产品             |
| 流通资料                           | 无需具体的回收操作                    |
