|       | ZCKM6H29   |
|       | ZCKM8H29   |
| 操作头运动 | 万向<br>旋转   |
| 操作头类型 | 弹簧杆 弹簧复位   |
| 方法类型  | 万向运动       |

## 补充信息

|      |        |
|------|--------|
| 开关触发 | 任意移动部件 |
| 强制打开 | 无      |
| 头部材料 | 金属     |

## 环境

|        |             |
|--------|-------------|
| 运行温度   | -25...70 °C |
| 贮存环境温度 | -40...70 °C |
| 环境特征   | 标准环境        |

## 包装单位

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 3.600 cm  |
| Package 1 Width              | 3.600 cm  |
| Package 1 Length             | 15.800 cm |
| Package 1 Weight             | 42.000 g  |
| Unit Type of Package 2       | S01       |
| Number of Units in Package 2 | 18        |
| Package 2 Height             | 15.000 cm |
| Package 2 Width              | 15.000 cm |
| Package 2 Length             | 40.000 cm |
| Package 2 Weight             | 1.050 kg  |
| Unit Type of Package 3       | P06       |
| Number of Units in Package 3 | 288       |
| Package 3 Height             | 45.000 cm |
| Package 3 Width              | 60.000 cm |
| Package 3 Length             | 80.000 cm |
| Package 3 Weight             | 24.772 kg |

## 可持续性

|                                |                              |
|--------------------------------|------------------------------|
| 产品类型                           | Green Premium 产品             |
| 流通资料                           | 无需具体的回收操作                    |
